

SATNAM RISING

Together We Rise. Together We Heal.

A new community of compassion, advocacy and hope

WELCOME TO SATNAM RISING

Satnam Rising is a nonprofit initiative dedicated to empowering survivors of domestic violence through education, advocacy, connection and community support. We believe every survivor deserves dignity, safety and the opportunity to rebuild.

No survivor should have to navigate the journey toward safety and recovery alone.

OUR MISSION

To help survivors find information, trusted resources and meaningful community support while strengthening public awareness of domestic violence and its many forms.

WHAT WE ARE BUILDING

SURVIVOR ADVOCACY

Connections to counseling, safety planning and community resources.

EDUCATION & AWARENESS

Workshops on coercive control, healthy relationships and trauma recovery.

COMMUNITY PARTNERSHIPS

Collaboration with shelters, attorneys, therapists and healthcare providers.

WHY THIS WORK MATTERS

Abuse can be physical, emotional, financial or psychological. Survivors may also face isolation, intimidation and challenges after separation.

LOOKING AHEAD

Our emerging priorities include a family-court and post-separation-abuse education coalition, survivor-centered referrals and a long-term vision for housing stability.
